

January 2017

Dear Parent/Carer,

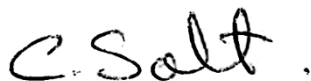

We are back into the new term and there is lots going on at Grace Academy Darlaston in the coming months including our Year 11 and Post 16 students getting ready for their exams, Y10 preparing for Year 11 and a whole range of activities and sessions for your children to be involved in.

A reminder of our website address darlaston.graceacademy.org.uk which has all up to date information included on it and it details some of the great work that is taking place in the academy.

I would like to remind you and your child that mobile phones are not allowed in the academy and they will be confiscated as necessary. Parents will be requested to attend the academy to collect a mobile phone without exception if it has been confiscated after the first instance. Students are very aware of the processes and sanctions around mobile phones in the academy.

I would like to thank you in advance of your support and assistance over the coming months to ensure that your child is making the necessary progress and attainment in their lessons.

Yours sincerely,

Carl Salt
Principal
