

Dear Parent/Carer

As your son/daughter is now in Year 11, their attendance at enrichment sessions is essential. This year we achieved our **best ever** results, and those students who attended the enrichment sessions every week to consolidate the work done in lessons achieved grades well above their target grades.

From Tuesday 13th September, the 3pm – 4pm enrichment timetable will be as follows:

Every Monday: English
Every Tuesday: History, Geography or French
Every Wednesday: Science
Every Thursday: Maths
Every Friday: Any other subjects

We expect every student to attend all enrichment sessions relevant to the subjects they have chosen, and will be directing Year 11 students to the correct room at the end of each day. As you can appreciate, we are striving to support your son/daughter during a period when examination grades are very difficult to achieve so your continued support during this time would be valued.

If you have any questions, please contact Mrs Watkins (zoewatkins@graceacademy.org.uk) or Mr Slattery (ryanslattery@graceacademy.org.uk). Those of you whose son/daughter use the school bus service should contact us in regards to alternative arrangements we are able to offer to ensure your child does not miss out on enrichment.

Again, we appreciate your support, and look forward to speaking to you at our Year 11 Focus Evening on Thursday 15th September.

Yours sincerely

Mrs Z. Watkins
(Head of Year 11)

Mr R. Slattery.
(Assistant Principal: KS4)
