1. Introduction

We take great pride in our building, our students and our staff. We also place great emphasis on standards – standards of learning, conduct and behaviour. In line with our Business and Enterprise focus we operate a compulsory school uniform policy. All students in years 7 to 11 will wear the full Academy uniform at all times. Students not in the full uniform will not be admitted.

Our business style Academy uniform fulfils three important functions:

- It gives the Academy a clear identity.
- It represents a simple but effective statement of our pride and sense of community.
- It also avoids any competition or stigma between individuals that can occur too easily because of designer clothes and fashion trends.

Optional - headscarves

Black school approved headscarf conforming to the requirements below:

1. The fabric should be lightweight and plain black.
2. The headscarf must be folded under the chin, taken round to the back of the neck and the ends tucked in. This conforms to the health and safety and school requirements.
3. The headscarf must be worn so that the collar and tie can be seen clearly. The reason for wearing the headscarf is to preserve modesty. Therefore it should not be worn with headbands, brooches, shadow stripes, patterns, logos, embellishments, diamantes, tassels or other colours.
