

Dear Parent/Carer

Enclosed is a copy of the Year 11 “Pre-Public Examinations” (PPE) schedule. Your son/daughter will be taking these examinations in order to formally assess their current level of progress and attainment now they are in Year 11. Please be aware that PPEs are NOT actual GCSE examinations but should be treated as such, therefore we expect students to be attending every examination, and their conduct before and during should be exemplary. The results of these examinations will be used to predict your child’s grades for Summer 2017, so we trust that you will assist us in preparing your child in the best way possible. They will also be used as the basis for anybody making a decision regarding further education. Please engage with your son/daughter in planning revision and structuring their approach to these PPE examinations.

All students are expected to attend daily enrichment sessions, which run from roughly 3pm until 4pm, unless there is a prior announcement of cancellation.

We thank you for your ongoing support, and please contact myself (ryanslattery@graceacademy.org.uk) or Mrs Zoe Watkins (zoewatkins@graceacademy.org.uk) in the event of any questions.

Yours sincerely

Ryan Slattery
Assistant Principal
